

## Mental Health Anti-Stigma HOPE Campaign's 2012 Art Exhibition

# *ART UNITING PEOPLE:* A Celebration of Creativity and Mental Health

## CALLING ALL ARTISTS!

This year the Anti-Stigma HOPE Campaign will celebrate National Mental Health Month through *"Art Uniting People - A Celebration of Creativity and Mental Health."* This is an art exhibition dedicated to making a difference. It provides people whose lives have been affected by mental illness, intellectual disabilities, and substance use disorders the opportunity to use art as a form of expression in order to engage the Alexandria community in a conversation about mental health issues.

All those touched by issues related to mental health and mental illness may enter—however old. Artists are also invited to share the inspiration behind their art pieces and some of their personal story.

**Submit your art!** Entry form due by **Thursday, April 12th.**
